BUG SCAVENGER HUNT

Go outside in your backyard, driveway or online and see what type of bugs you find. What are their colors? You can take a closer look but do not disturb the bugs, How many different colored bugs can you find?

Color	Total
Red	
Blue	
Green	
Black	
Brown	
Multicolored	

- What is the total number of bugs that you found?
- What do you think the bugs you found like to eat?
- Where do you think the bugs go at night?
