

Sample Grasshoppers Project

# The Enchanted Forest

This Week's Problem:

## What is in my dragon's egg?

### Building Blocks

Monday/Tuesday: Choice centers with individual and small group work

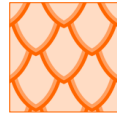

#### Drama Club

Act out role plays with stuffed dragons

#### Math Games

1:1 Correspondence with Dragon Scales

Roll the dice, count the dots, count out that many scales, and add them to your dragon

#### Art Studio

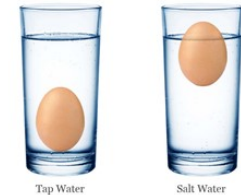

Make-a-Dragon: Parts to Whole

Use paper cut-outs of dragon parts to design and build a whole dragon

#### Science Lab

Can I make an egg float in water?

Hypothesis & Observation

### Project Groups

Wednesday/Thursday: Small groups work together on a multi-day project

#### Literature Experience

Where Dragons Come From

By Sage Fuller

Non-Fiction

Fiction

#### Project-Based-Learning

Children's Problem: *What is in my dragon's egg?*

**Main Activity:** Decorate 3-D wooden egg with collage materials; after it dries, sketch the egg (3-D to 2-D)

**Writing Frame:** "What is in my dragon's egg?"

**Music & Movement:** Fly like a dragon, roar like a dragon, fill your treasure box with jewels, sing "Puff the Magic Dragon"
