My Garden Thoughts to Think Upon...

~Recommended by Miss Annette~

If you had a magical garden, what would grow in it?
What seeds would you plant?
How would you care for your garden?

Wednesday Lego Challenge!

What magical plant will you design?

Use Legos, recycled materials, or any
building or decorating materials you would like.

See last page.

Hand On Activity:

EAT PLANT PARTS

~ Recommended by Miss Annette~

Materials: fruits and vegetables that you have in your house

Activity: Tell your child that people eat plants! Eating plants helps us stay healthy.

Together search your kitchen for edible plants. Look for different parts of plants, **for example:** carrots or onions for roots; broccoli tops for flowers; lettuce for leaves; beans or peas for seeds; celery for stems; and bananas for fruit.

Wednesday Inquiry Challenge

My Magical Plant

What do you call your magical plant?

What magical powers does your plant have?

What special parts does your plant have?

Where did you find your magical plant?
